FALLS VILLAGE TAKES A SURVEY

[Town begins Town Plan update process with a bang](#)

All Falls Village residents have been asked to report to their computers to tell their Planning & Zoning Commissioners about what is important to them in areas such as housing, schools, jobs, and services.

To view the survey and the Town Plan update homepage, [click here](#).

A postcard was sent to every household in Falls Village to announce the survey & website. The front of the postcard was designed by 9 year old Lusanna Munson and was one of many beautiful art submissions on "What I love about Falls Village" submitted by school students at the Lee Kellogg school. These art submissions can be viewed at the link above.
